PRO-TEST

BUILD THE OXFORD ANIMAL LAB!

Demonstration

Sat June 3

- **Medical research is essential to develop new treatments for diseases including Cancer, Parkinson's, Alzheimer's, Heart Disease, HIV-AIDS and many others.**
- **Finding safe and effective drugs requires testing on animals.**
- **Oxford University is building a state-of-the-art animal research laboratory on South Parks Road.**
- **Animal Rights campaigners prevented the construction of a similar facility in Cambridge.**
- **Don't let them delay life-saving work any longer.**

Meet 11:45 am, Parks Road, Oxford
